## 5<sup>th</sup> June 2020

### Updates this week

Dear Parents

We are looking forward to welcoming some of you back on Monday morning at 9am. Just a few reminders for those of you that are coming back (you will have been notified via email and had to confirm your place)

- Please do not bring any toys/water bottles/ food/bags etc. into pre-school. We will provide everything the children need.
- Please take note of signs around the area with regards to social distance and procedures.
- Keyworkers will be on the field ready to take your children into the setting. Please direct your child to line up with their key worker.
- If you have any questions or queries then please speak to Tania at the setting, email [csg.manager@outlook.com](mailto:csg.manager@outlook.com) or call the playgroup mobile 07960278409.

What can I do to help get my child ready to return to pre-school?

- Talk about how all the adults are really looking forward to seeing them again.
- Practice thorough hand washing and reinforce toilet etiquette.
- Teach your child how to sneeze and cough into a tissue that can then be thrown away.

We will continue to provide activities for you to try at home via the newsletter and our Facebook Page.
